AIAA INTELLIGENT SYSTEMS TECHNICAL COMMITTEE

Advancing Aerospace Through Intelligent Systems

Two days of technical exchange — member briefs, expert panels, spirited breakouts, and student competition — bringing together academia, government, and industry around the future of autonomous and AI-enabled aerospace. Organized by the AIAA Intelligent Systems Technical Committee (ISTC) and Ohio University.

August 12–13, 2026

Dayton, Ohio

$20 Landing Fee Until August 1st - then $75 · Lunch Provided on Day 1

WORKSHOP FOCUS AREAS

Technical Themes

Autonomy at Scale

Deploying autonomous systems across complex multi-domain environments, from edge platforms to enterprise missions.

Human Interaction & Tasking

Human-machine teaming, trust calibration, and interface design for operator-autonomous system collaboration.

Counter-UAS

Intelligent detection, tracking, and neutralization strategies for uncrewed aerial threats in contested airspace.

Precision Navigation

PNT robustness in GPS-denied and contested environments — multi-modal sensing, fusion, and resilient architectures.

AI's Impact on Workforce

Responsible AI adoption, transition from academia to government and industry, and the evolving human role in intelligent systems.

Multi-Domain Intelligent Systems

Cross-cutting IS research spanning air, space, land, sea, and cyber — interoperability, federation, and command architectures.

TWO-DAY PROGRAM

Event Schedule

DAY 1 – WED, AUG 12

08:00 – 08:30	ISTC Update & Workshop Overview	Opening remarks, breakout previews, and committee introductions
08:30 – 10:30	Member Briefs	3-minute rapid briefs · 1–2 slides per presenter · Drop-off breakout choice
10:30 – 10:40	Networking Break	
10:40 – 11:40	AFRL SBIR/STTR Office	Status update · 1–3 year research horizon
11:40 – 12:45	Lunch & Student Poster Session	
12:45 – 13:15	Student Poster Awards	Gather breakout topic selections
13:15 – 14:15	NASA Brief	Natasha / NASA Glenn / Saptarshi
14:15 – 15:15	Networking/Coffee Break	
15:15 – 16:15	Industry Panel	
16:15 – 18:30	ISTC Member Meeting	
18:30 – 18:45	Transit to Social Event	
18:45 – 20:30	Social Dinner, location TBA	

DAY 2 – THURS, AUG 13

NEXT GENERATION

Student Sessions

COMPETITION

Poster Session

Students present original research across the workshop's intelligent systems themes. Posters are displayed during lunch on Day 1, with dedicated viewing time in the afternoon. This is a chance to engage directly with government, industry, and academic attendees on your work.

AWARDS

Judging Competition

A panel of ISTC members and guest judges evaluates student posters across criteria including technical merit, relevance to aerospace IS challenges, and presentation quality. Awards are announced at the Student Poster Awards ceremony following lunch on Day 1. No registration fee for students.

CONFIRMED & INVITED

Presenters & Panelists

AFRL

NASA

Boeing

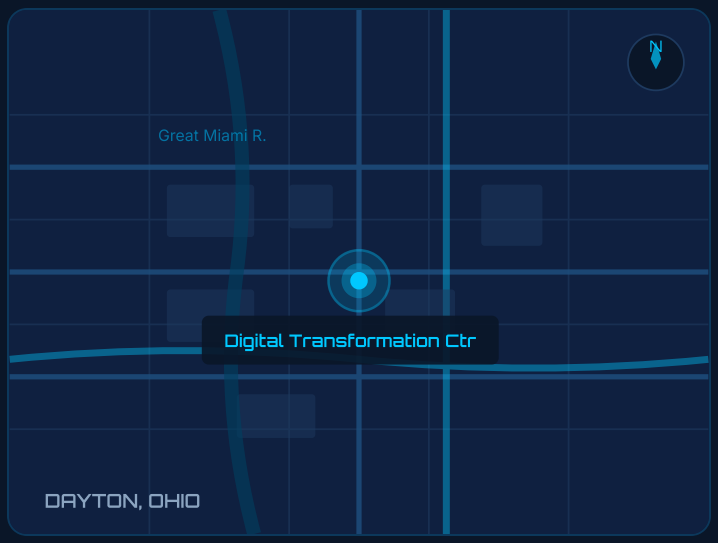

IS4S

Northrop Grumman

Lockheed Martin

VENUE & LOGISTICS

Getting There

VENUE

Digital Transformation Center

1520 S Main St Suite 214

Dayton, OH 45409

REGISTRATION FEE

$20 — Landing Fee until August 1st, then $75

Includes lunch on Day 1 · No fee for student posters
